Non-Fiction

Please read a variety of non-fiction books on the following topics: ocean, rainforest, polar region (Arctic and Antarctica), desert, mountains, and grasslands. We'll be studying more about these topics in second grade! Join your local library's summer reading club for more great books!

Summer Assignments

My 2nd Grade Friend Writing Assignment:

We've given you a second-grade friend to decorate and make your own! Take them with you on your summer adventures or create your own adventures at home!

Write a story about one or more of the adventures you went on. Feel free to include pictures or drawings! You will share them during the first week of school.

See attached page

Math Practice: Keep counting things in nature, explore and find patterns everywhere. Sort, group, and make your own kinds of collections. Play with cards and puzzles and practice your math facts using flashcards... a lot! The quicker you know them the easier they get. Highly recommended for practice:
